## Small Project Alternative Delivery Methods

*Progressive Design Build, Job Order Contracting,  
Task Order Construction Agreements, and more*

DGS, LAWA, LADWP and CSU all have billions of dollars of construction projects coming down the pike very soon (with some already started), many of which are small projects using alternative delivery methods such as Job Order Contracting, Task Order Construction Agreements, progressive design build, and CM@Risk. Come learn more about these various delivery methods and how to do business with these large public agencies, all of which encourage small business development in contracting and procurement.

### Learn About

- LADWP's 10 year \$1.5B program
- DGS's SB / DVBE program for Goods, Services, and Public Works
- CSU's multi-year capital program which includes small projects under the Task Order-Construction Agreement (TOCA) Delivery method.
- LAWA's multi-billion dollar construction program which includes small businesses.

### Seminar Instructors

**Jamaal Avilez**, *Supply Services Manager - Planning & Development Group*  
**Los Angeles World Airports**

**Wayne Gross**, *Outreach Liaison, Procurement Division – Certification and Outreach*  
**State of California, DGS**

**Jay Jefferson**, *Construction Manager, Capital Planning, Design & Construction*  
**CSU Office of the Chancellor**

**Stephan Tucker**, *Director of Corporate Program Management*  
**Los Angeles Department of Water and Power**
