The False Claims Act *Be Careful What You Ask For*

With the number of FCA cases continuing to rise and prosecutorial agencies touting year-over-year record-breaking recoveries, contractors' need to understand the mechanics and scope of the FCA is as strong as ever.

- Recent developments in FCA law
- The ongoing attack on the attorney-client privilege in FCA qui tam suits
- The growing use of Civil Investigative Demands and how to survive CID audits and investigations
- Workforce training and FCA claim mitigation techniques
