EDUCATIONAL WEBINAR

Alternative Project Delivery - Public Sector

Wednesday, March 17, 2021 • 8:30am-10:00am • Virtual Link to be Provided

PROGRAM SUMMARY

This seminar will discuss the dynamics of alternative delivery methods. More specifically, the Alternate delivery methods for public sector procurement for Los Angeles Metro and Caltrans: The panel will provide insights to Progressive design build, Guaranteed Max Price, Design/Bid/Build and Public Private Partnerships (P3). The panel will discuss a collaborative approach to the mechanics, and benefits of these different alternative delivery methods.

CONTINUING EDUCATION CREDITS

Continuing Education Credit CMM provides registrants with continuing education credits and CCM Recertification Points for each education session attended. In order to meet the varied formats for reporting these mandated education requirements to licensing boards, credits are identified as Professional Development Hours (PDH) AIA Learning Units (LU), or CCM Recertification Points.
