EDUCATIONAL WEBINAR

The Benefits of Partnering in Construction

Thursday, March 4, 2021 • 8:30am - 10:00am • Virtual Link to be Provided

PROGRAM SUMMARY

This seminar will discuss the specific construction project metrics that are benefitted through a formal partnering process amongst owners, contractors, designers, and/or other project stakeholders. This collaborative, teamwork-driven approach toward project completion has proven to be an important tool in both risk management and communication/stakeholder management.

CONTINUING EDUCATION CREDITS

Continuing Education Credit CMM provides registrants with continuing education credits and CCM Recertification Points for each education session attended. In order to meet the varied formats for reporting these mandated education requirements to licensing boards, credits are identified as Professional Development Hours (PDH) AIA Learning Units (LU), or CCM Recertification Points.
