PROGRAM WEBINAR

How Public School Districts are Planning for 2022 Bond Measures in the Face of On-Going Challenges

Wednesday, March 23, 2022 • 9:30am-10:30am • Virtual

PROGRAM SUMMARY

The current business climate is being affected by supply chain issues, inflation and COVID-19, thereby making the planning of significant public school bond programs more than a little challenging. Attend this webinar to hear from school district personnel about how they are mitigating these challenges as they plan for bond measures in 2022 and beyond. The panel will discuss their proactive mitigation measures, possible support from their communities, and how they are doing their best to build a solid framework for success.
