PROGRAM WEBINAR

Los Angeles Community College District Continues to Design and Build! Hear from the Leadership Team Driving this Multi-billion Construction Program.

Wednesday, February 9, 2022 • 9:30am-10:30am • Virtual

PROGRAM SUMMARY

LACCD's robust Building Program, began in 2001. It's goal is to provide continuous modernization and renovation of the nine colleges of the District. Meet the District's leadership team as they share their roles and responsibilities, portfolio and how they are evolving and coordinating with the industry to adapt to changing times.
