SOUTHERN CALIFORNIA CHAPTER

## PROGRAM WEBINAR

### Long Beach Unified School Districts' Facilities Development and Planning Continues to Build on their Success

Wednesday, April 27, 2022 • 9:30am-10:30am • Virtual

#### PROGRAM SUMMARY

Long Beach USD's facilities and planning department's mission is accomplished through the exceptional delivery of facilities services. Today the District serves over 70,000 students. As the fourth largest school district in California, the robust construction program continues to build on its success. Join us to hear from the leaders on the future and potential of a new bond.
