Metropolitan Water District of Southern California

Wednesday, August 11, 2021 • 11:30am-12:30pm • Virtual

PROGRAM SUMMARY
The Metropolitan Water District of Southern California (MWD) is a regional wholesaler and the largest supplier of treated water in the United States. It is a cooperative of fourteen cities, eleven municipal water districts, and one county water authority, that provides water to 19 million people in a 5,200-square-mile (13,000 km2) service area. Hear from Charles and John as they provide an update on MWD’s capital program.
