## EDUCATIONAL WEBINAR

# The Evolution of Alternative Delivery - The Expansion of P3 Delivery Options

Tuesday, August 23, 2022 • 8:30am-10:00am • Virtual

### PROGRAM SUMMARY

The Public-Private Partnership (P3) model is evolving to meet the needs of the industry in the pursuit of project delivery success. Procurement can be undertaken in a variety of ways, offering owners the flexibility to choose which method might be most appropriate to meet their objectives. This webinar will include experienced industry experts who have successfully advised on, developed, managed, and built a variety of alternative delivery projects including P3s. Panelists will explore a real-life example of alternative delivery, discuss the various delivery options available within the P3 model from Fixed-Price to a Pre-Development approach, and share lessons learned, best practices, and result driven solutions.

### EMCEE

Heather King

### CONTINUING EDUCATION CREDITS

Continuing Education Credit CMM provides registrants with continuing education credits and CCM Recertification Points for each education session attended. In order to meet the varied formats for reporting these mandated education requirements to licensing boards, credits are identified as Professional Development Hours (PDH) AIA Learning Units (LU), or CCM Recertification Points.
