Risk Management: A deep dive into Scheduling and Delay Analysis

Thursday, June 3, 2021 • 8:30am-10:00am • Virtual Link to be Provided

PROGRAM SUMMARY

Construction disputes involving schedule delay and time impact claims can be highly stressful, time consuming and financially damaging. This webinar will offer insight and best practice strategies from the perspective of an owner, litigation counsel, and consultant on how effectively manage risk, mitigate claims and delays, steps to effectively prepare, analyze and present a claim when necessary, and strategies to resolve the claim.

CONTINUING EDUCATION CREDITS

Continuing Education Credit CMM provides registrants with continuing education credits and CCM Recertification Points for each education session attended. In order to meet the varied formats for reporting these mandated education requirements to licensing boards, credits are identified as Professional Development Hours (PDH) AIA Learning Units (LU), or CCM Recertification Points.
