PROGRAM WEBINAR

The U.S. Department of Veterans Affairs: Office of Construction and Facilities Management on the Future of Supporting our Nation's Veterans

Wednesday, January 12, 2022 • 9:30am-10:30am • Virtual

PROGRAM SUMMARY

The Office of Construction & Facilities Management (CFM) is responsible for the planning, design, and construction of all major construction projects greater than \$20 million. In addition, CFM acquires real property for use by VA elements through the purchase of land and buildings, as well as long-term lease acquisitions. Through the construction and real property programs, CFM delivers to Veterans, high quality buildings, additions, large scale renovations, and structural enhancements. CFM also manages facility sustainability, seismic corrections, physical security, and historic preservation of VA's facilities.
