Associate Principal | Energy & Sustainability  
ARUP

## **SPEAKERS:**

Olivia Schuster  
Advisory Consultant  
ARUP

Justin Palovchak  
Distributed Energy Resource  
Specialist  
ARUP

## **PROGRAM SUMMARY**

On August 16, 2022, President Joe Biden signed into law the Inflation Reduction Act (IRA), a landmark piece of legislation with significant implications for health care, taxes, and, importantly, climate. It has been hailed as the most significant piece of climate action in US history, with \$369 billion allocated to climate and energy-related measures. Join us to learn more about the Inflation Reduction Act and its implications.
